## Fifth Multidisciplinary Masters' Symposium on **Blepharoplasty & Facial Rejuvenation**

SEPTEMBER 1-2, 2023  
**SYDNEY**

After the success of our Blepharoplasty and Rhinoplasty meetings, we are proud to announce another outstanding Blepharoplasty conference scheduled for 2023.

From around the world, the best of blepharoplasty and facial rejuvenation experts will come together to compare notes on the latest techniques and challenges. It's important to maintain professional currency, and evolve the art of Blepharoplasty and Facial aesthetic surgery as a whole.

Co-convenors

Angelo Tsirbas, Ben Burt, Simon Taylor, George Marcells and Peter Callan
